

What is Blackest Cat?

Blackest Cat is a Touch specific brand developed and owned by Touch players for the benefit of the Touch community.

A range of products including Touch boots, joggers and merchandise are now available through touch affiliates, online store and at NSWTA events.

BC-01

The BC-01 is a super light jogger that is one of the only mid range shoes on the market with a reinforced heel support.

The super lightweight design includes:

- Breathable micro-fibre and mesh upper to increase comfort
- Lightweight EVA midsole cushioning for superior feel
- Full length rubber outsole for durability
- Strong heel support for improved stability

BC-ELITE

This is the boot worn by the best Touch players in the world including Dylan Hennessey, Drumayne Dayberg-Muir, Ben Moylan and Jason Stanton. Now its available to everyone!

The super lightweight design includes:

- Full leather upper that moulds to your foot
- Lightweight TPU sole for a superior feel
- Conical studs for optimal traction and control
